

FIRST STREET GARAGE: TURNKEY CAFÉ / MARKET OPPORTUNITY

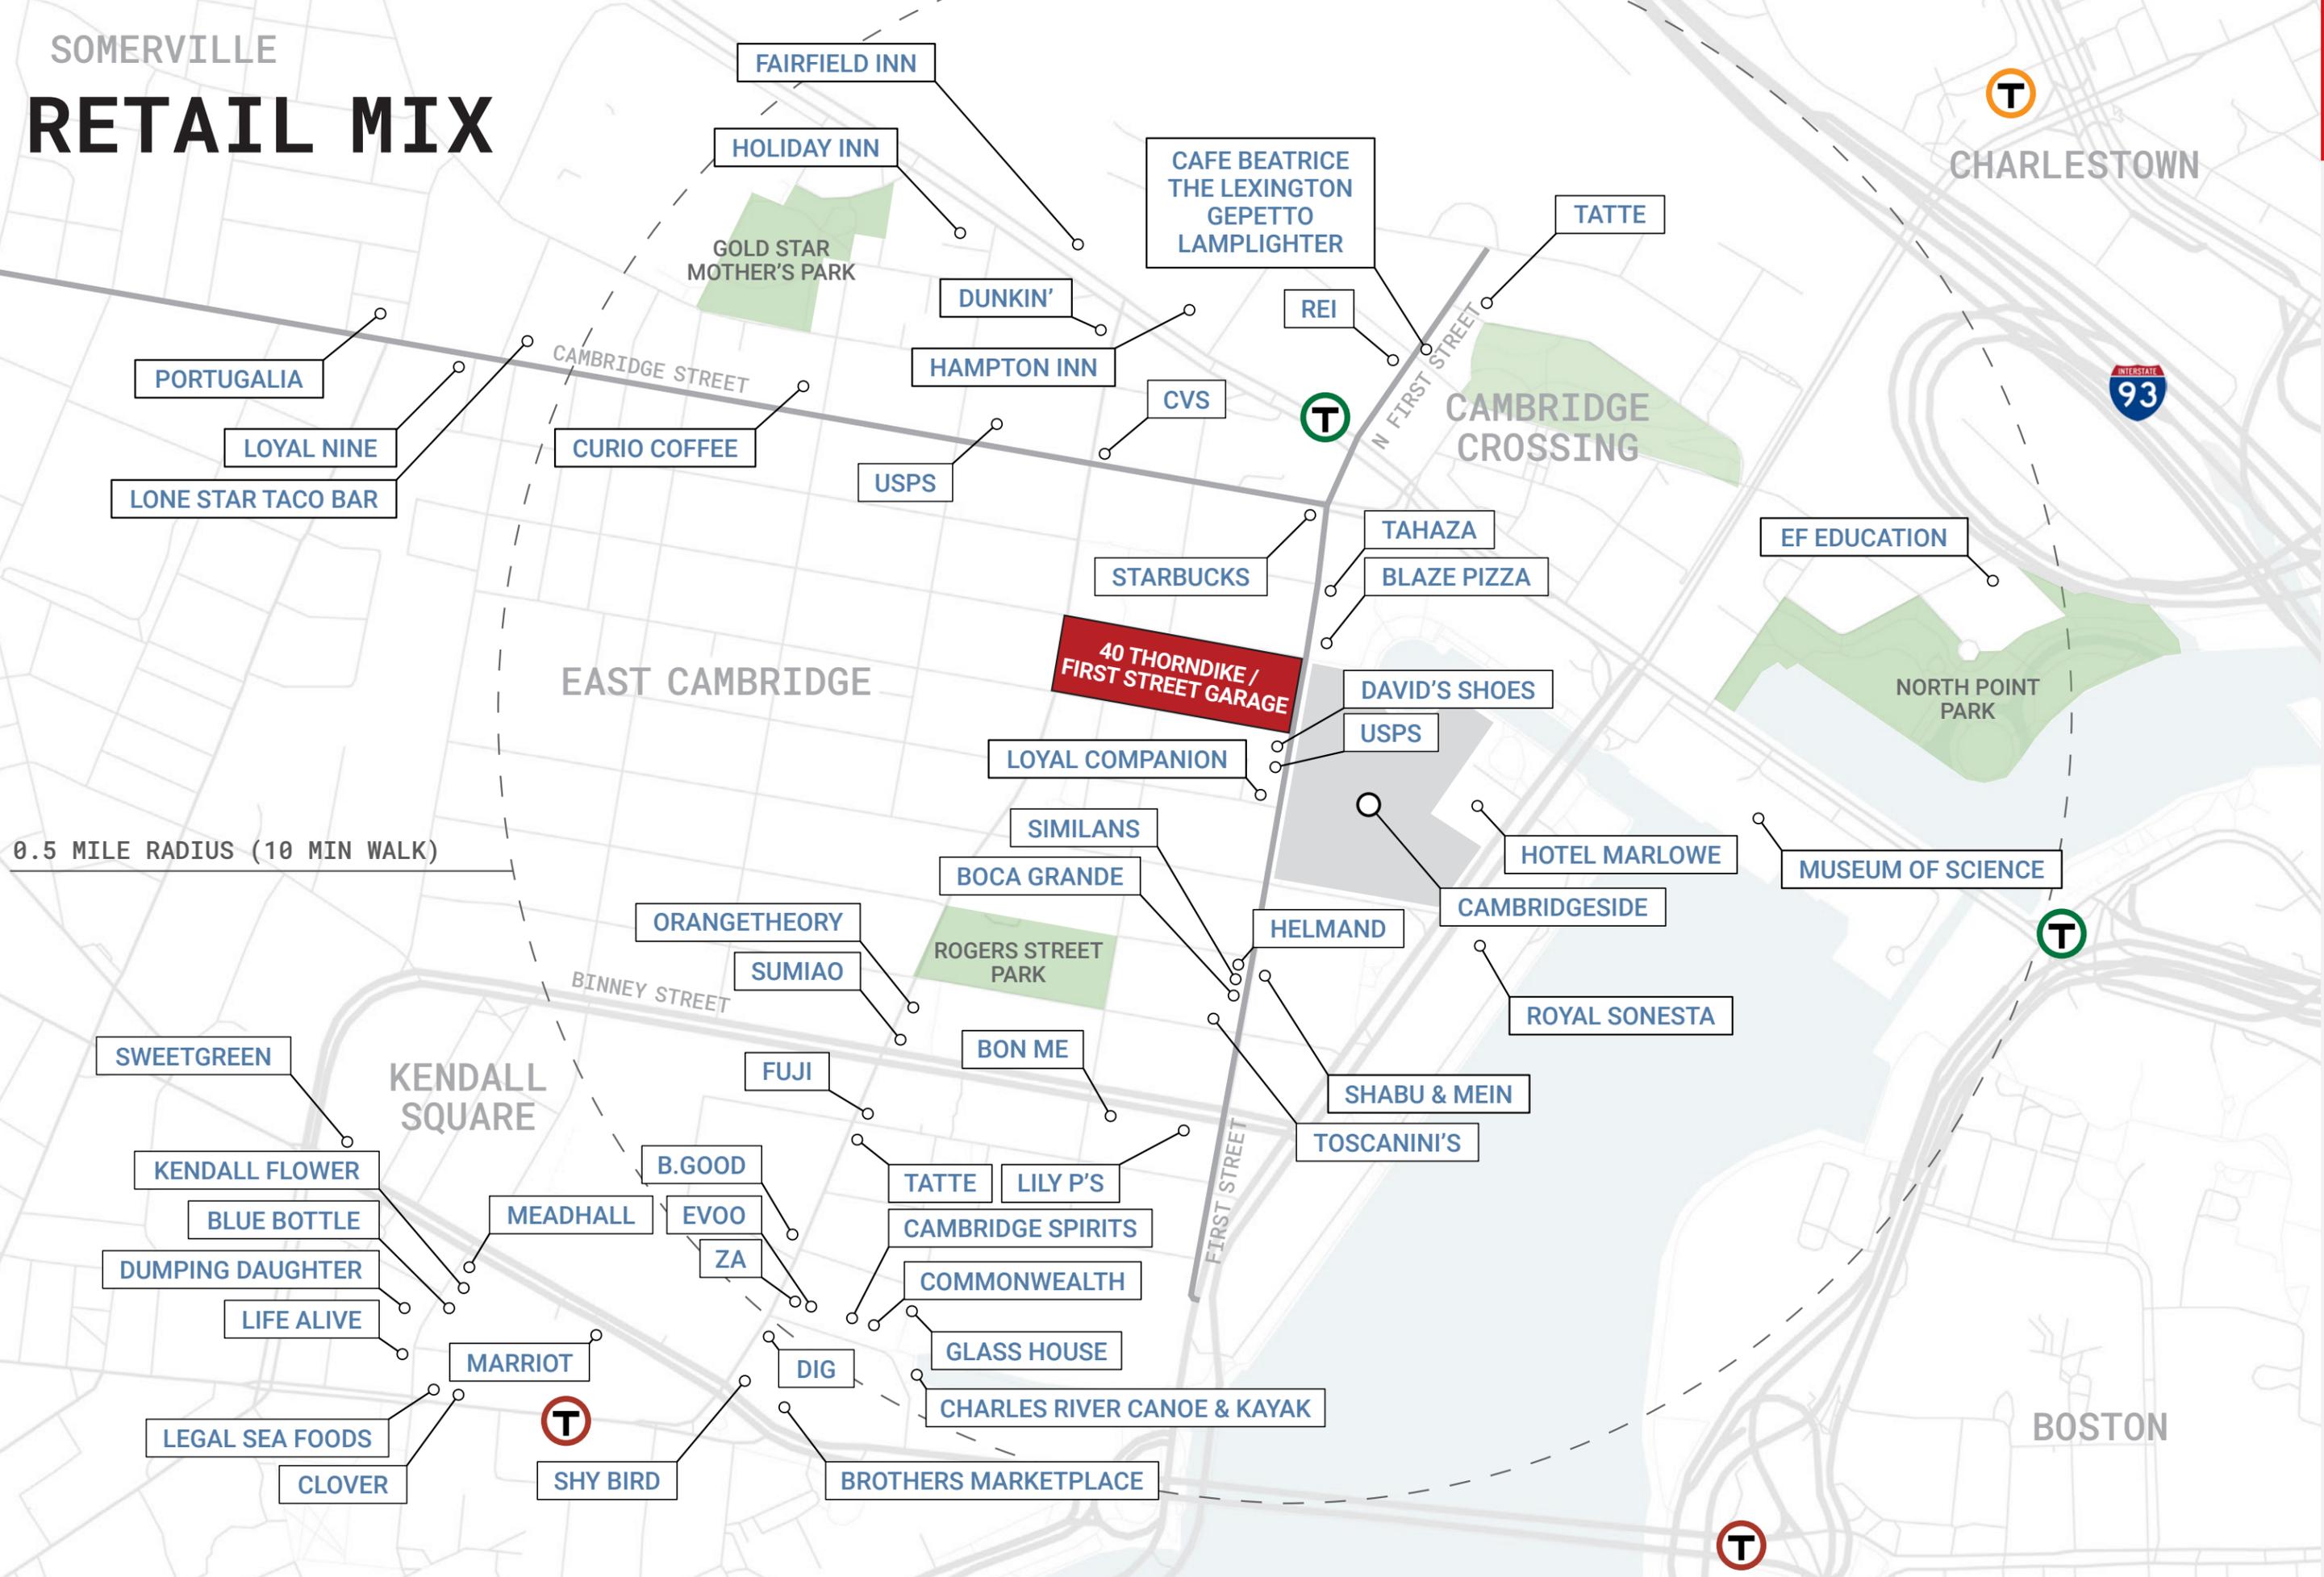

PROJECT ORIENTATION

East Cambridge is home to cutting-edge life science, pharmaceutical and technology companies, a diverse resident base, incredible parks and open spaces and an eclectic mix of retail and restaurants.

This unique retail opportunity is part of the 40 Thorndike Class A office and mixed use development that transforms the former Sullivan Courthouse into an innovation hub. As a significant benefit of the project, the developer is reviving the long vacant First Street Garage retail into a neighborhood anchor that will include a year-round open market, restaurant and community gathering and events space.

SOMERVILLE RETAIL MIX

COMMUNITY ROOM

MARKET OPERATOR

The project team will select a market operator to manage the day-to-day operations of this incredible multi-purpose facility.

A diverse skill set will be required to manage and oversee a restaurant, weekly farmer's market and event and community spaces. The market operator will orchestrate the opening of the market concept in the Fall of 2023 in partnership with the project team. This turnkey opportunity includes the full build-out and FF&E and may be structured as a lease or management agreement to ensure a successful long-term partnership.

**Operator Selection 2022
Opening Fall 2023**

MANAGEMENT
