

THE LOOP AT MATTAPAN STATION / RETAIL + RESTAURANT OPPORTUNITIES

Rendering: MASS Design Group

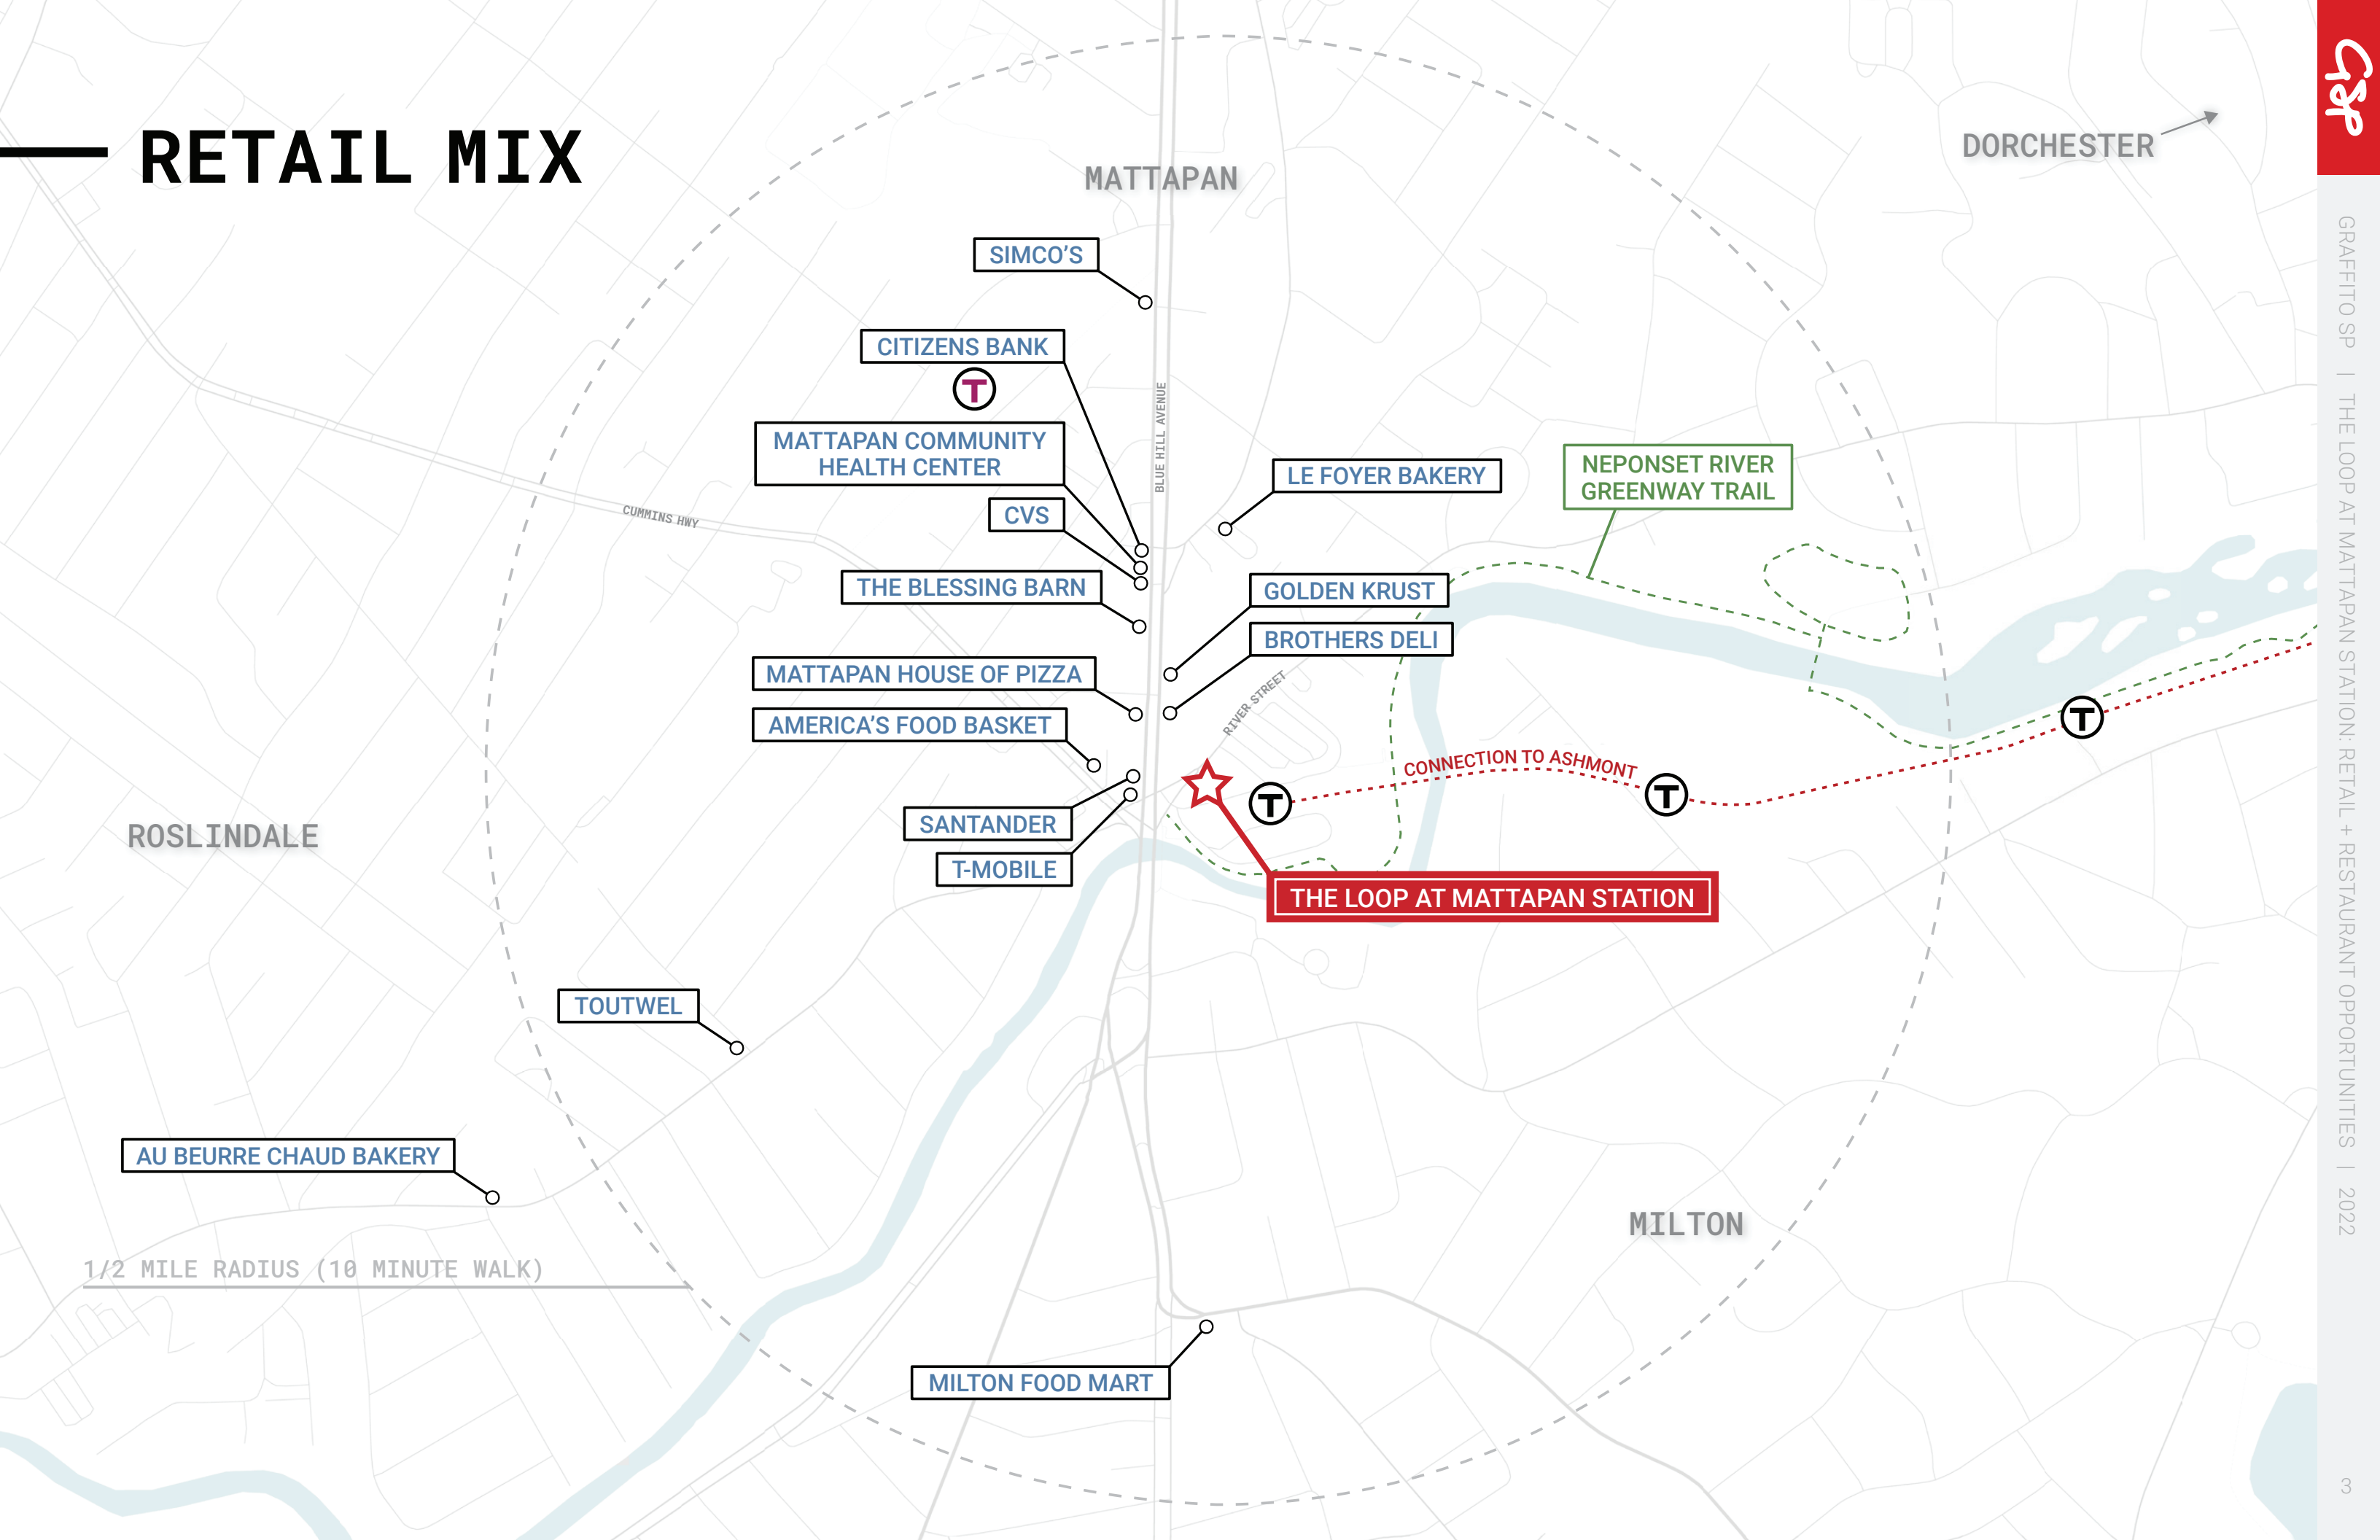

PROJECT ORIENTATION

The Loop at Mattapan Station is the transformation of a 2.57-acre MBTA parking lot in Mattapan Square into a vibrant, diverse, mixed-income community.

The development includes 135 rental apartments above 10,000 square feet of active ground floor retail space steps from Mattapan Square Commercial District. The Loop at Mattapan Station sits adjacent to the Neponset River Greenway and creates a new access point from the neighborhood to this important community amenity.

RIVER STREET

— LET'S TALK

Mattapan Square is a vibrant, culturally diverse district in Boston, Massachusetts. At the intersection of Blue Hill Avenue, River Street, and Cummins Highway, the Square is the commercial heart of the predominantly residential neighborhood. With limited retail opportunities in this project, new retail tenants will provide a unique amenity for residents and add value to the local community.
