

USQ: UNION SQUARE RETAIL + RESTAURANT OPPORTUNITIES

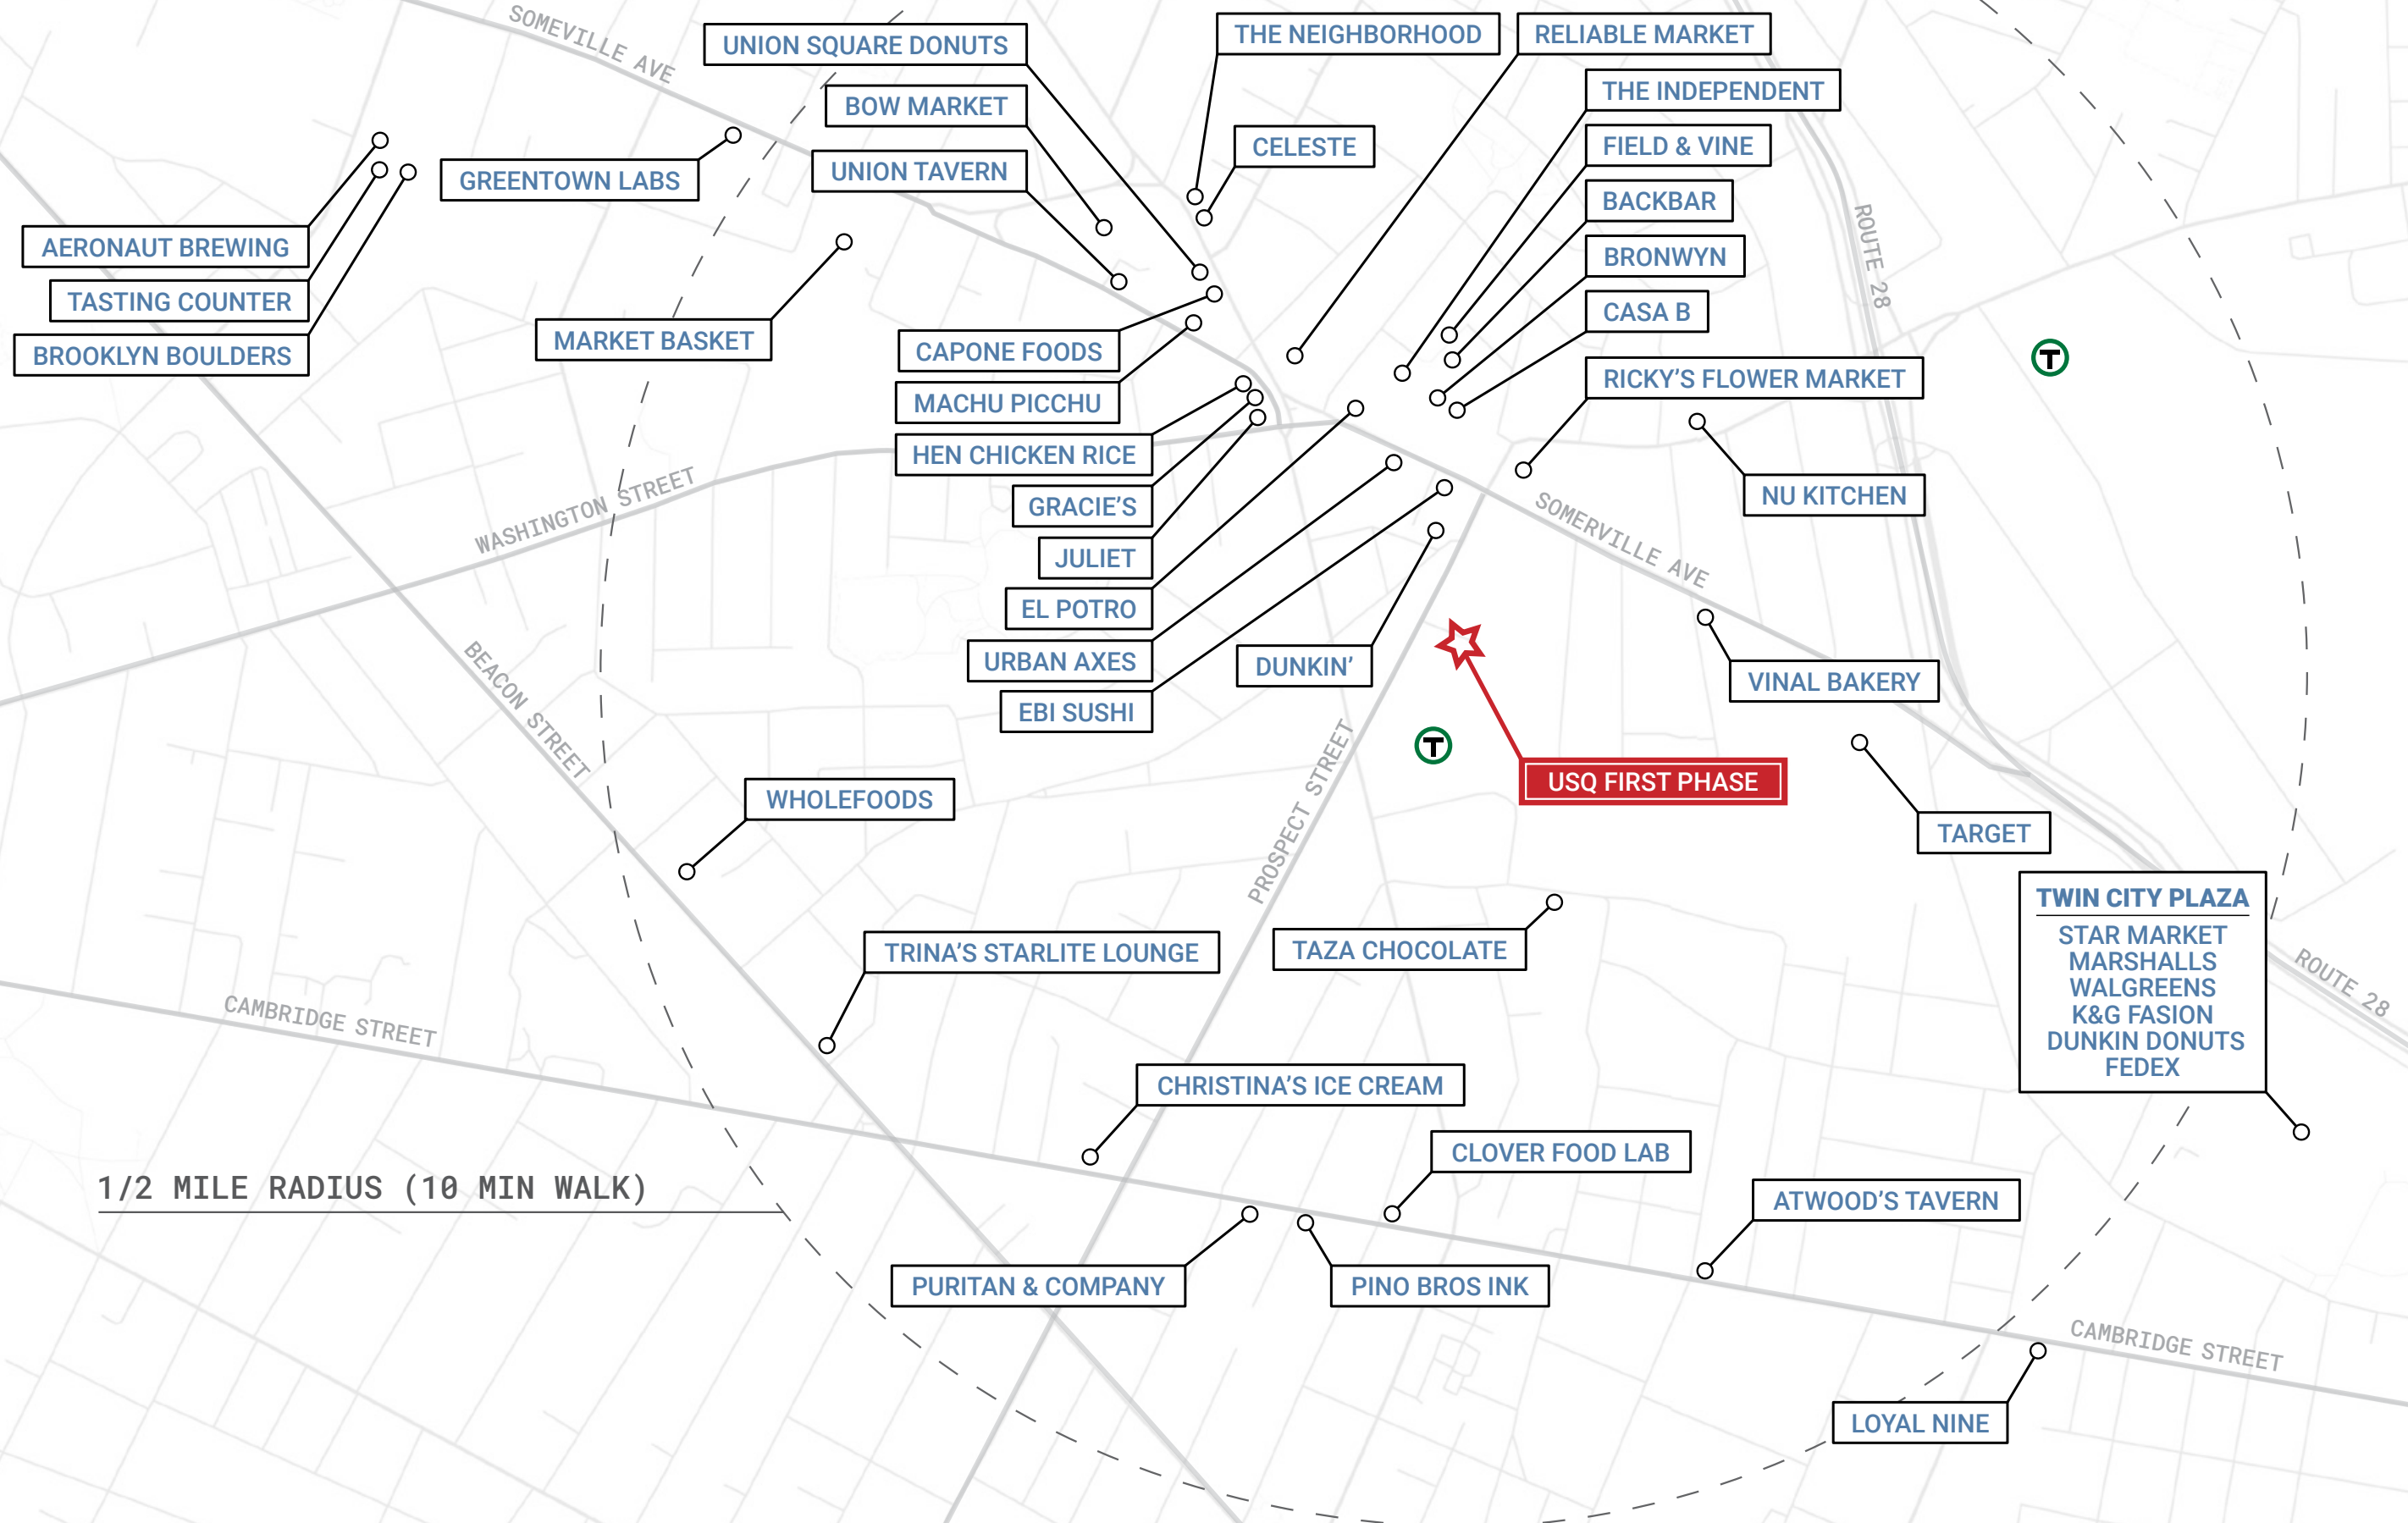

PROJECT ORIENTATION

USQ is the culmination of years long community conversations, infrastructure improvements, and planning for 2.4M SF of transit oriented development in Union Square Somerville.

10 – 50 Prospect Street is the first site within the USQ development to break ground; this four-acre parcel in the heart of the neighborhood is adjacent to the new MBTA Green Line Station and will be home to newly constructed retail and restaurant space within the 710,000 square feet of new development, which will house two buildings with 194,000 square feet of lab and innovation space, 450 apartment units and 271 parking spaces.

THE OPPORTUNITIES

The five retail spaces shown here can be demised further to create smaller premises for a range of retail and restaurant uses. All retail abuts the new Station Plaza, a new 18,000 square foot public space that provides connectivity between Union Square Plaza, the neighborhood “living room,” and the entrance to the new MBTA Station and Bennett Court.
