

SWITCHPOINT QUINCY HIGH-PROFILE RETAIL OPPORTUNITIES

PROJECT ORIENTATION

Quincy Center is a vibrant retail hub featuring a mix of boutiques, specialty stores, and local restaurants. Easily accessible via the MBTA Red Line, multiple bus routes, and ample parking, it's a hassle-free destination for residents, workers and visitors alike.

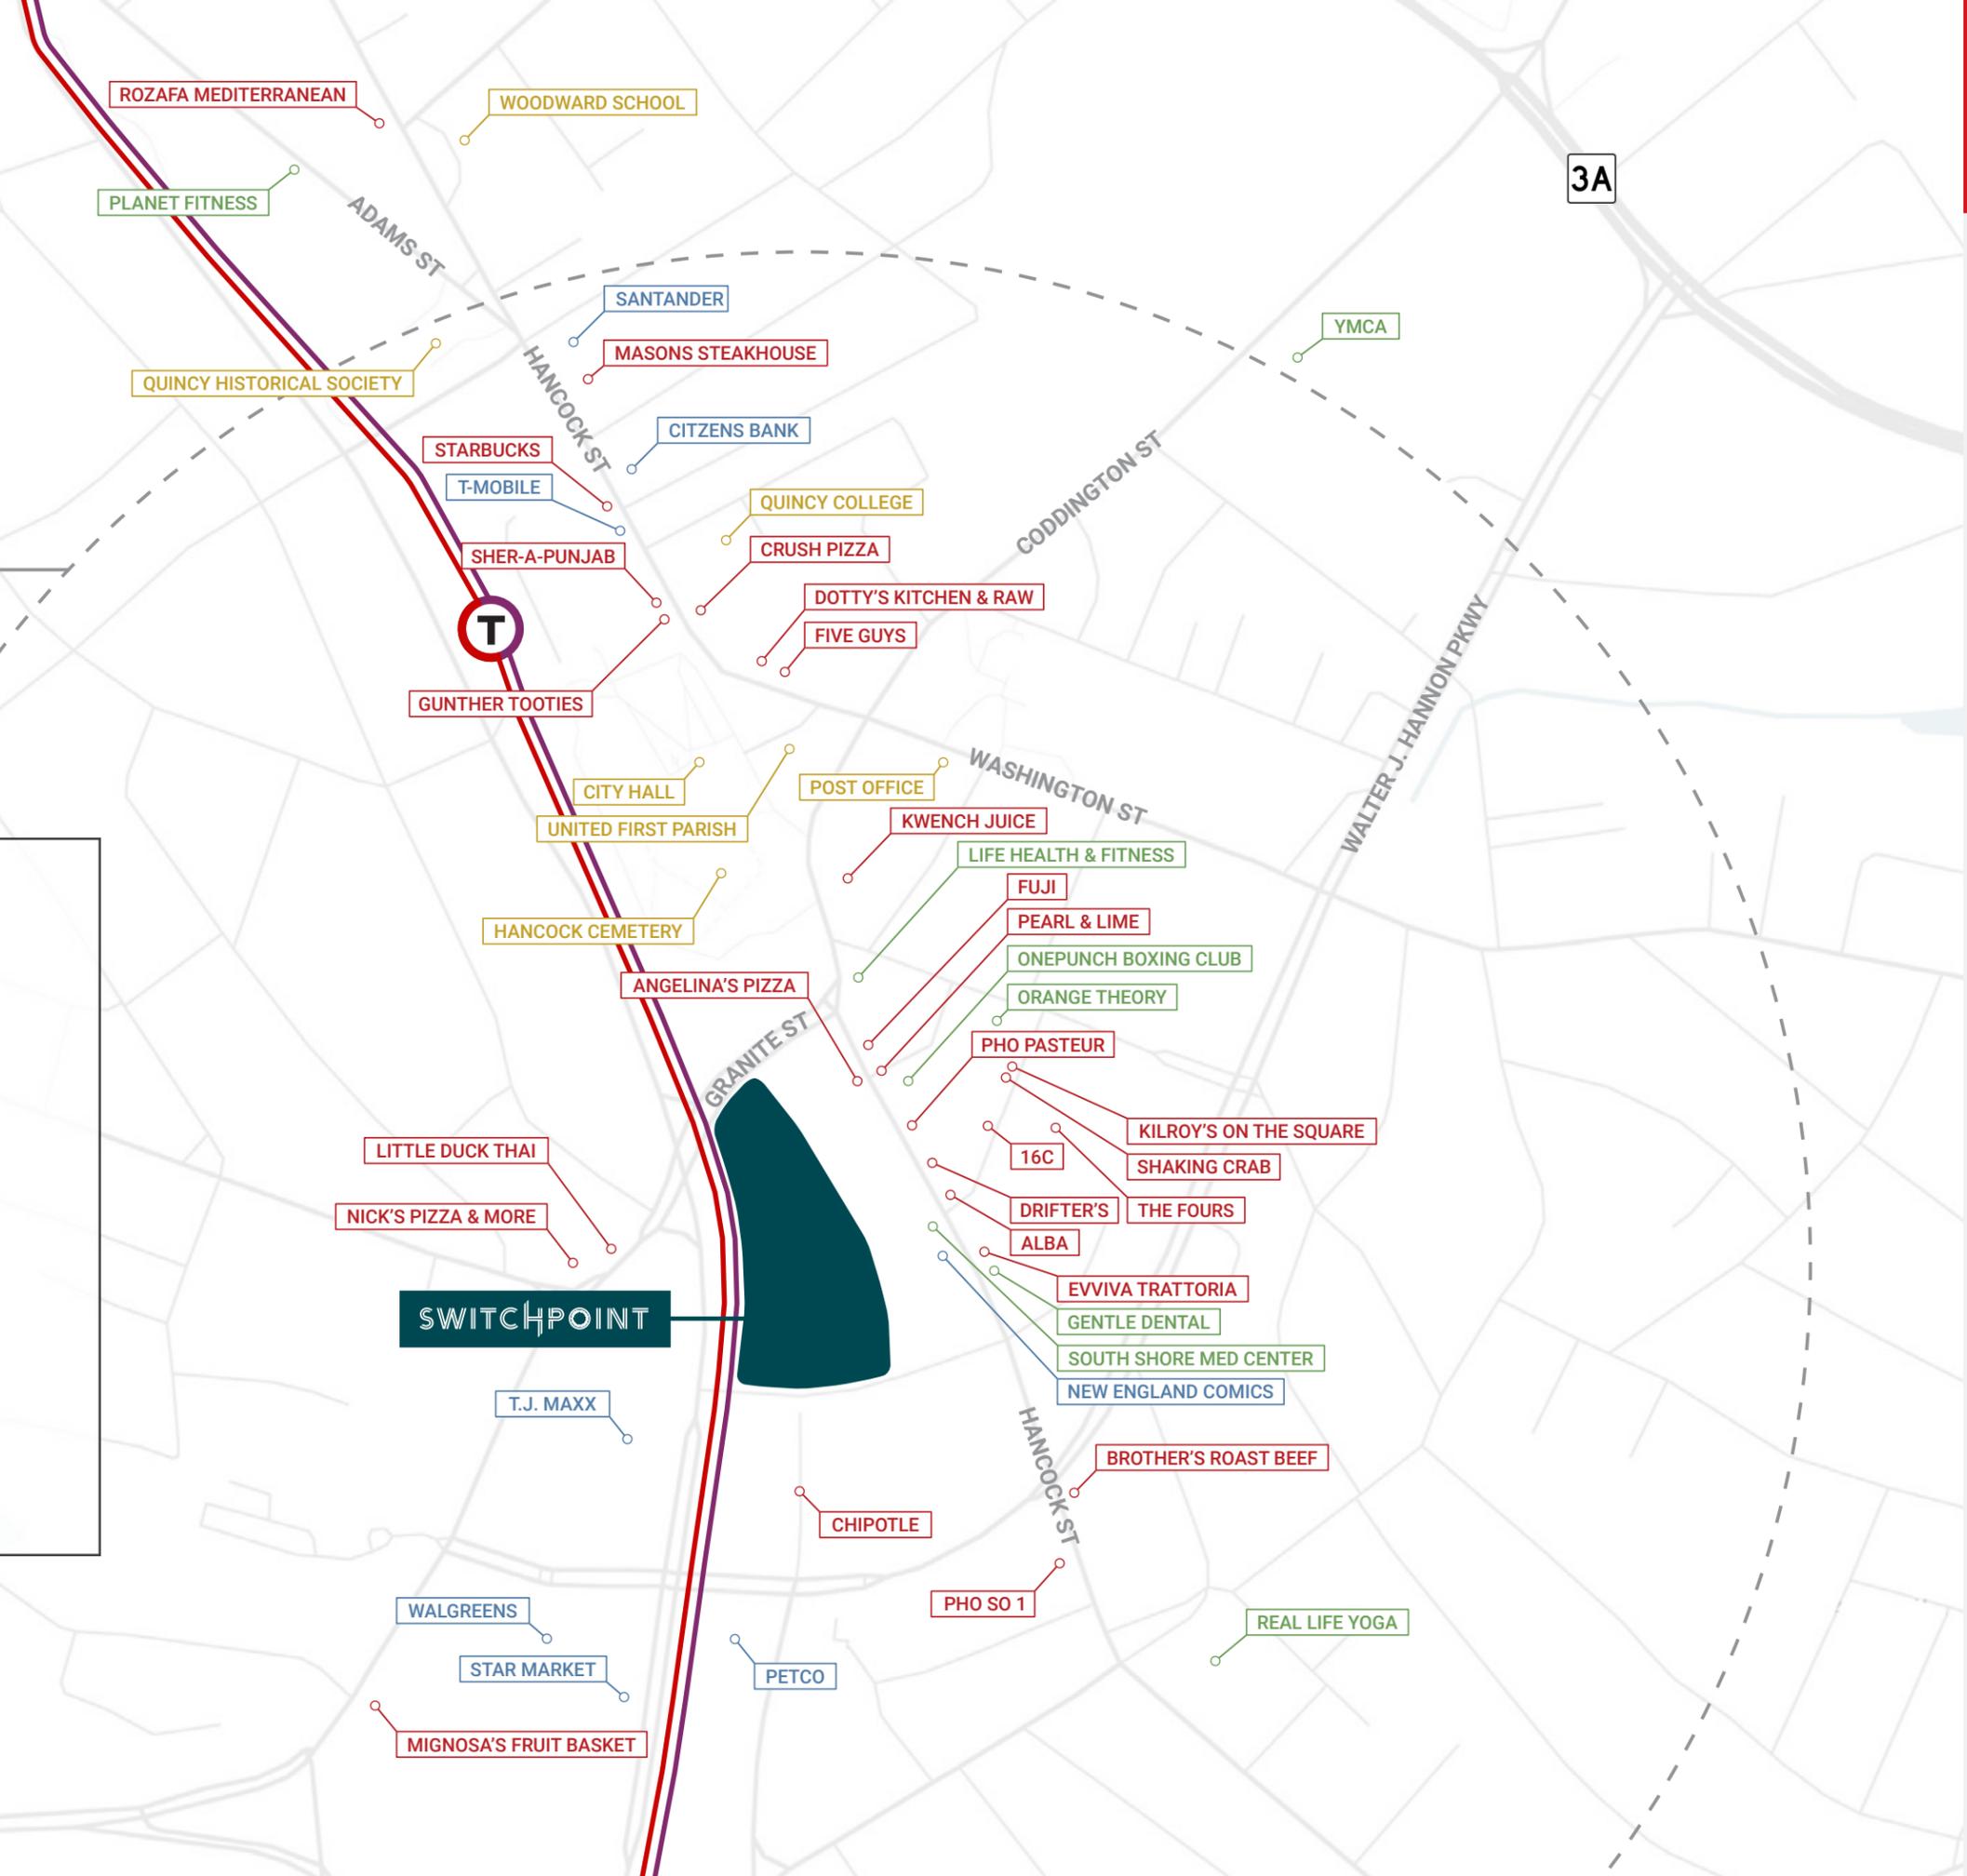

The **SwitchPoint** project is at the forefront of Downtown Quincy's transformation, featuring a state-of-the-art 100,000 SF Class A medical office building that will serve as the future home of Beth Israel Deaconess Medical Center (BIDMC), set to open for patient care in Spring 2027. SwitchPoint will also include 490 multi-purpose parking spaces to accommodate employees and visitors, along with up to 15,000 SF of customizable, single-story retail space—offering businesses a unique opportunity to establish themselves in the thriving Quincy Center neighborhood.

FLOOR PLAN

Two exceptional build-to-suit retail buildings in the heart of Downtown Quincy adjacent to a new specialty grocer.

Tenants will have the ability to customize certain aspects of these spaces like ceiling heights, storefront character, outdoor space, and more.

LET'S TALK

Foxrock, the developer and owner of Switchpoint, is seeking restaurant and retail operators who want to join the growing list of local and national tenants that have found a home in the area. Committed to building strong relationships with future tenants, Foxrock is working with Graffito to create a vibrant and thriving destination in Quincy Center.
